

Extension of Terms Upheld by Court

LITTLE ROCK (AP)—The Arkansas Supreme Court has upheld a state law which extends for one year the terms of six North Little Rock elected officials.

Atty. Gen. Bruce Bennett had declared Act 176 of 1959 unconstitutional on the grounds it was local, or special, legislation.

The law changed municipal election dates in cities with a population of more than 50,000 and with the mayor-council form of government—from odd to even numbered years. Under the old law, the terms of North Little Rock Mayor William F. Lamm and other officials would have ended this year.

North Little Rock is the only town affected by the act. Other cities having more than 50,000 population—Little Rock and Fort Smith—have the city manager form of government.

Negroes Plan Drive to Get 100,000 Votes

LITTLE ROCK (AP)—Plans are being mapped for an all-out drive to qualify at least 100,000 Negro voters in Arkansas.

I. S. McClinton, Negro president of the Arkansas Democratic (Negro) Voters Assn., said the state has 250,000 potential voters out of a total Negro population of 400,000.

The drive will be launched at a Little Rock meeting Sept. 9. "Our drive will begin with the idea of 150,000 to 200,000 qualified Negro voters," McClinton said.

"I will be very disappointed if we do not get 100,000 at least. Six hundred Negro leaders from all sections of Arkansas have been invited to next week's meeting."

McClinton, a trucking firm owner, said the campaign was decided on because white persons "who are taking a moderate position on the school issues and the Negro people who also are taking an understanding position are going to have to bring about a workable understanding between the races."

He also said he thought extreme segregationists had lost—in principle—in the school integration controversy "whether you have nine kids or two" in an integrated school.

This was a reference to Little Rock Central High School, where nine Negroes attended in 1957-58 under federal troop protection after violence broke out. Two Negroes presently attend the school and three go to Little Rock's Hall High.

There has been no integration trouble since the schools opened Aug. 12, but police crushed a segregationist demonstration near Central before classes started that day.

Arkansas requires a poll tax for voting and McClinton said efforts would be made to get as many Negroes as possible to pay it before December school board elections and next summer's Democratic primaries.

Some Damages to Be Given Families

LITTLE ROCK (AP)—The Arkansas Claims commission apparently has decided to award some damages to relatives of 21 Negro youths who died in a fire at the Negro Boys Industrial School at Wrightsville March 5.

Chairman Dave Ford said, however, that the decision probably would not be announced to day.

House Almost Sure to Vote Gas Tax Hike

By B. L. LIVINGSTON

WASHINGTON (AP)—The House, despite obvious reluctance, was expected today to vote a temporary penny increase in the federal gasoline tax to keep the interstate highway building program going.

The bill was sent to the floor on a take-it-or-leave-it basis with no opportunity for revision.

For car owners, the bill would add another \$1.053,000 to the federal tax for the next 21 or 22 months until July 1, 1961, by raising the gasoline tax from 2 to 4 cents a gallon.

Its enactment was expected necessary to avert a construction stoppage on the \$4,000-million network of superhighways planned to link the nation's principal cities by 1972.

President Eisenhower asked Congress to raise the gas tax 1½ cents a gallon for the next five years to keep the program on a larger spending.

Patsy Bridges — Bill Wray Exchange Vows in Afternoon Ceremony

The sanctuary of the First Methodist Church in Warren was the scene Sunday, August 30, for the wedding of Miss Patsy Jenelle Bridges and William Larry Wray of Hope. The beautiful candlelight ceremony was solemnized at 4 o'clock in the afternoon with the Rev. D. Mouzon Mann, pastor,

reading the impressive double ring service before an assemblage of relatives and friends.

The bride is the daughter of Mr. and Mrs. Jerome Alfred Bridges of Warren. Mr. Wray's parents are Mr. and Mrs. William Leigh Wray of Hope.

Vows were pledged at the altar flanked with Tiffany floor baskets filled with white gladioli and white mammoth King daisies. Palm trees were used at each end of the chancel, rail, banked with Southern smilax, draped with maline finished with huge puffed bows on either side of the satin-covered pillars at the rail forming the prie-dieu. Southern smilax was repeated on the choir rail with seven-branched floor candelabra entwined with smilax, holding white Byzantine burning tapers. Completing the setting, The pews were marked with maline puffs.

Miss Linda Warren, organist played a program of nuptial music and accompanied Miss Susan Davis of Hope, vocalist.

The bride, escorted to the altar by her father who gave her in marriage, was resplendent in her floor-length wedding gown of imported French Chantilly type lace over tulle and satin. The sculptured elongated bodice, fashioned with a Sabrina neckline edged with lace scallops embellished with seed pearls and iridescent paillettes and fastened down the back with petite satin-covered buttons, was enhanced with long fitted sleeves tapering to lily points over her hands. The tremendously bouffant skirt was poised over ruffled tulle and satin petticoats and perked hoops. She wore a Chantilly lace mantilla edged in scallops and carried a showered bridal bouquet of stephanotis centered with a white orchid showered with pearls and satin streamers tied in lovers knots. Her only ornament was a mother-of-pearl tear-drop necklace, a gift of the groom.

Miss Brenda Louise Bridges, sister of the bride, was maid of honor. She wore a waltz-length white organza gown with Chantilly lace trim. The molded bodice was fashioned with a Sabrina neckline banded in the lace, which was glamorously repeated in the lavishly full skirt, and short lace sleeves. She wore white wristlet gloves and a white horse-hair braided picture hat banded in moss-green satin ribbon adorned with daisies with flowing streamers. She carried a white wicker basket filled with Marguerite daisies tied with moss green ribbon. Bridesmaids were Miss Judy Bell of Pine Bluff, Miss Donna McCray of Benton, and Miss Glynda Allison of Little Rock. They wore identical gowns and hats as that of the honor attendant and carried replica flowers.

William Leigh Wray served his son as best man. Groomsman were Rex Martin Easter, William Robert McCormick of Arkadelphia and Robert Allen Elkins of Shreveport, Louisiana. Ushers were Roy Thomas Wray, brother of the groom, Bishop Lee Lane and Van-cil Moore. Mr. Wray and Mr. Lane were acolytes.

Mrs. Bridges, mother of the bride, chose a petal pink silk organza frock worn with a pink floral hat with other matching accessories. She pinned at her shoulder a corsage of pink sweet-hear roses.

Mrs. Wray, mother of the groom, was attired in a beige polished cotton with embroidery trim. She wore a beige feathered and velvet hat with matching accessories. Her shoulder corsage was of pink roses.

Immediately following the ceremony, a reception was held in the Fellowship Hall of the church. The bride's table was overlaid with a white net cloth over white polished cotton. Centering the table was a nine-branched silver candelabra holding burning white tapers. Placed on opposite ends of the

DOROTHY DIX

Second Fiddle Plays A Melody of Discord

Dear Dorothy Dix: Last year I married a widower with two children, 12 and 14. I was determined to succeed as a stepmother or on thought the youngsters liked me enough so my rede wouldn't be too difficult. Boy, was I ever fooled. It has been made very clear to me that I am not mistress of the house; their mother still is. Every meal I cook rates the comment, "This isn't how Mom made pot roast," or "This pie isn't like Mom's; she put more spice in hers." What I don't hear from the kids, I get from their grandparents. If I buy a dress or piece of furniture I'm told that Dolly never paid that much for clothing or house furnishings. My husband, through all this, remains silent. Why can't he tell someone, just once, that I am now his wife and doing my best for all of them? I'm tired of ghost-hokeying. The home isn't mine; it's a dead woman's and I'm not up to perpetuating her memory. —Eunice D.

Dear Eunice: This calls for a good old family conference and a bit of drastic action. The next time you are all gathered around the dinner table and mother is brought into the conversation ask everyone to lay down the silverware and be prepared for a serious talk. Tell them you've tried your best to be a mother to them

but since you can't satisfy them you are willing to give up. Make plans for a two- or three-week vacation, giving them time to decide if their home should be kept by spirit or flesh. When they realize that a ghost can't cook, wash, iron, after school dresses, cut a dress for a special date or entertain the boss for dinner they'll agree to hold their mother in out of the housekeeping. Furthermore, you'll win the respect of husband, children and in-laws by standing up for your rights. They'll see you as an individual with a will of her own, instead of as a spineless creature who serves as the family doorman.

Dear Dorothy Dix: One night while parked my boy friend and I went too far and now I'm pregnant. I don't want to tell him for fear of losing his love and respect, and he goes to college out of state and is in no position to get married. I don't want to bear my child out of wedlock. What shall I do? —L.T.

Dear L.T.: The boy never did have any love or respect for you, so there's nothing to lose by telling him you are going to have his child. It is absolutely your duty to tell him—and your mother's responsibility—and your mother

had better learn the news from you before she finds it out some other way.

Dear Dorothy Dix: My brother is a widower, living on a farm with his daughter. Recently the daughter, who is 35, acquired a boy friend, a worthless drunkard some years younger than she is. He asked to board at the farm and my brother afraid that his daughter would leave him, reluctantly consented. He's been sorry ever since. The man has never paid a cent in board and the daughter uses the family car to take him wherever he wants to go. —T.P.

Dear T.P.: The only possible solution is for your brother to evict the free-loader, even if it does mean that daughter goes, too. Your brother seems to have a soft heart, so I don't think he could be firm about anything. That's the trouble. The only way the man will go is to be thrown out and the only person who can do that is your brother.

Chicago Takes Pair to Extend American Lead

By ED WILKS
Associated Press Sports Writer

Dick Donovan definitely is back. Ted Kluszewski has delivered his first RBI and Chicago's White Sox have a 3½-game lead in the race for their first American League pennant in 40 years.

They regained that bulge by sweeping Detroit 7-2 and 11-4 in a two-night double-header Wednesday night. Donovan, the right-hander who's had shoulder trouble, followed up last Saturday's clutch shutout against Cleveland with a four-hitter in the opener. And Klu then singled to keep things rolling in an 11-run fifth inning that nailed the second game.

Cleveland's second-place Indians ended their skid at four games by beating Kansas City 6-3, although southpaw Herb Score failed again.

New York skipped past Detroit into third place with a 4-3 victory over Washington, and Baltimore defeated Boston 4-0 behind the seven-hit pitching of Billy O'Dell.

In the National League, first-place San Francisco beat the Chicago Cubs 4-3. Second-place Los Angeles beat the Cardinals 9-6. Cincinnati took two from the Pittsburgh Pirates, 6-3 and 2-1. Philadelphia dropped Milwaukee again 11-5.

The White Sox gave Donovan a quick 7-0 lead in the opener with Sherm Lollar smacking Frank Lary (17-9) for a pair of two-run doubles. Donovan, who tired and gave way to reliever Gerry Staley in the ninth, had a one-hit shutout until the seventh inning, when Charlie Maxwell hit his 25th homer. Maxwell had three of the Tigers' four hits and drove in both runs, singling home the other in the eighth.

Paul Foytack (13-12) had the Sox blanked on three hits and led 3-0 before they opened up, for their 11 in the fifth—scoring 10 of 'em with two out.

Al Smith got it started with his 13th homer, and with two out, Luis Aparicio and Nellie Fox singled. Jim Landis walked, loading the bases, and Klu then came through, touching off a string of six consecutive singles before Fox finished it off with a three-run triple.

Rookie Joe Stanka was the winner.

With the Tigers' streak ended at five, the Yankees took third by a half game, beating the Senators on Yogi Berra's 18th homer—a

Bomarc Missile Aloft on Test

CAPE CANAVERAL, Fla. (AP)—A sleek Bomarc-B anti-aircraft missile shot aloft today on a short-range test flight.

The launching appeared smooth as the 47-foot rocket streaked over the Atlantic, trailing a long plume of white smoke from its solid-fuel engine.

This was only the fourth test for the Bomarc-B and the Air Force said it was not set to fly its full 400-mile range.

This new weapon is designed to intercept and destroy enemy planes and slow-moving guided missiles. Its speed is believed to be more than 2,000 m.p.h.

Coach Pierce Is Concerned Over 'Listless' Cats

Coach John Pierce expressed concern today over the "listless" way the Beabcats are showing up in practice.

They are acting tired and lifeless, the Coach said, indicating he hoped they would snap out of it before it is too late. In practice sessions so far only sprained ankles, possibly two broken fingers and a knee injury have shown up.

However, the Coach was too concerned about the injuries. He said Terry Don Thurman's knee was okay now and the fullback is looking good. He also had praise for Sutton T. Jones, Snell Hernandez and L. Vaughn.

On the eve of a practice game slated for Saturday night in the stadium between squads the Coach said he hoped the boys would "decide they want to play ball pretty soon." If they don't pretty quick Pine Bluff and De Queen will kill us, he said.

Two-run shot that broke a 2-2 tie in the eighth, Jim Coates (4-1) won it in relief. Camilo Pascual (12-5) lost it.

The Orioles got two runs in the second against Tom Brewer (8-10). Doubles by Bob Boyd and Barry Shetrone, a walk, bunt and an error did it.

The Indians came from behind and beat Red Garver (9-11) with five runs in the third as Tito Francona lined a two-run single and Woody Held counted two more with a double. Gary Bell (15-11) won it with nine innings of five-hit relief after Score was chased with two runs in, the bases loaded and none out in the first.

Porks Meet T-Team in Workouts

FAYETTEVILLE, Ark. (AP)—The first two units of the University of Arkansas Razorbacks go against the T-team in today's football workout.

The emphasis yesterday was on passing—both offense and defense—as the Porkers held their first all-out scrimmage of the fall practice season.

Coach Frank Broyles said he thought the team was in good enough physical condition to take the scrimmage.

Some first team changes were made. Javell Williams and letterman Billy Kiser began alternating at right halfback while Paul Dudley and Joe Paul Alberty were alternating at fullback.

Sophomore Curtis Cox moved up and was alternating at second team fullback.

The team viewed scrimmage movies last night to try to correct fundamental errors.

There were several minor injuries yesterday. Sophomore halfback Bruce Fullerton sprained an ankle but was not expected to be out of action long.

Second team right tackle Earl McPike suffered a back injury Tuesday and may be out for a few days.

"I think we were a little running-conscious," Broyles said after viewing films of the first scrimmage. "We were watching for runs rather than passes." On the whole, he was satisfied with the workout.

Mustangs Are Favored to Cop SWC Title

By HARTLD V. RATLIFF

DALLAS (AP)—Establishing a favorite in Southwest Conference football is tantamount to shooting fish in a barrel—it's just luck if you score a hit.

Coach Bill Meek of Southern Methodist, showing uncommon concern for the reputations of the critics, thinks it would be foolhardy for them to pick his team to win the championship.

Meek does admit that it should be the best team he's had in his coaching career and he further admits that Southern Methodist should be one of the favorites but he thinks Texas Christian and Texas should be ranked right along with him.

The critics, however, are going for the Mustangs with their great passer and quarterback, Don Meredith.

Obviously SMU should be strong. There are 25 lettermen and the backfield may be the best in the league with Meredith, Glynn Gregory, Bill Polk, Frank Jackson, Toney Wilemon and Jim Welch packing a threat in every cell.

The line appears most excellent too.

Texas A. Christian, defending champion, has the most veteran strength. Coach Abe Martin has experienced Horned Frogs running out of his ears with 20 let-

Pirates Stumble in Drive for the National Flag

By ED WILKS
Associated Press Sports Writer

Pittsburgh's Pirates finally have stumbled in that National League pennant race, stubbing their toes on a club they've walked all over this season.

The Cincinnati Reds, who had won only 5 of 16 from Pittsburgh, joined the fourth-place Pirates twice with a 6-2 and 2-1 sweep in a two-night double header Wednesday night.

A three run homer by Willie Jones won the opener, ending the Pirates' latest winning string at five. Then Don Newcombe out-dueled Bob Friend in the second game.

That spilled Pittsburgh five games behind San Francisco's first-place Giants, who defeated the Chicago Cubs 4-3 on Jackie Brandt's ninth-inning homer. Second-place Los Angeles stayed within 1½ games of the lead by beating St. Louis 9-6 after trailing by four runs. Philadelphia again beat Milwaukee, 11-5.

In the American League, the first-place Chicago White Sox beat Detroit 7-2 and 11-5. Second-place Cleveland whipped Kansas City 6-3; New York beat Washington 4-3; and Baltimore defeated Boston 4-0.

Vern Law (15-9) was the first game loser for the Pirates, giving up singles by Gus Bell and Frank Robinson before Jones capped his tie-breaking homer in the eighth against unbeaten reliever Elroy Face. Vada Pinson and Robinson also homered for the Reds.

Brandt's 12th homer, off losing reliever Don Elston (6-7), handed Sam Jones his 18th victory for the Giants, tying teammate Johnny Antonelli and Milwaukee's Lew Burdette for the major league lead.

Felipe Alou, counting the first run with a sacrifice fly, and rookie Willie McCovey also homered for the Giants.

The Dodgers blew a 1-0 lead when the Cardinals scored five unearned runs in the third inning, three on Curt Flood's homer.

They finally put it away against reliever Bob Dilliba (0-1) with two runs in the sixth on Gil Hodges' Noel Chuck Churn (1-6) was the winner in relief as the Dodgers scored with 699 strikeouts for the season. The old mark was 386, set by Detroit in 1946.

Carl Sawatski drove in four runs for the Phils, chasing Burdette (18-14) with a three-run homer for a 6-2 lead in the sixth inning. Robin Roberts (12-13) won it.

Coming And Going
Mrs. B. L. Robinson left Saturday, August 29, enroute to her home in Milwaukee, Wisconsin, after having spent several weeks with her sister and brother-in-law, Mr. and Mrs. David Phillips of Rt. 2, Hope, Ark. She was accompanied to Brinkley, Arkansas by her sister, where they spent a few days visiting their brother, Mr. and Mrs. Horatius Gray and family. Mrs. Phillips returned home Tuesday, September 1.

Jerry Joe Easter, son of Mr. and Mrs. Jessie Easter, left Thursday, September 3, for Chicago, Ill., where he will take a job until January, 1960, at which time he will enter the University of Chicago to begin the study of Medicine. He is a graduate of Yenger High School and Philander Smith College, Little Rock, Ark.

The Hope Civic Improvement Association will hold their regular meeting tonight at 8 p. m. at Hicks Funeral Home.

Coming And Going
Miss Novis Williamson, who heads the Department of Commercial Education in the Molton High School, Marianna, Ark., has returned home after completing the two months of summer school.

King Solomon Williamson, the son of Mr. and Mrs. S. W. Williamson, left for Jonesboro, Ark., Monday where he is to head the Department of Music Education in the B. T. Washington High School as announced by Superintendent Lloyd Goff. Solomon completed his high school work in the Yenger High School at the age of 16. He graduated from A. M. & N. College in May, 1959, at the age of 20. Since his graduation in May, he has spent two months traveling to further his education which included Virginia, Delaware, Maryland, New Jersey, Ohio, Michigan and Pennsylvania.

Miss Jovis Williamson left for Philander Smith College Monday where she is a student.

Columbus High Graduates
Robert Trotter, Jr., Lee Antry Cheatham and Miss Settie Cole, graduates of the Columbus High School in May, 1959, left Tuesday for Arkansas Baptist College, Little Rock, Ark. This is sixty percent of the number in the class as announced by Principal S. W. Williamson.

termen, 28, of whom were on the 1958 title squad.

Texas comes up with 23 lettermen and three outstanding sophomore backfield prospects in Mike Cotton, Jim Sexton and Jack Collins. The Longhorns expect to be fast and boast more scoring power than the 1958 team that distinguished itself by giving Oklahoma a beating.

Arkansas is considered the best bet to break through this triumvirate if anybody does. There are only 17 lettermen at Arkansas but there's quality and there is sensational sophomore talent in Lance Absher, who packs great speed and versatility.

Rice is rated a threat. The Owls are big and strong and have picked up some fine sophomores, notably fullback Roland Jackson. Texas A. & M. still with the mighty punter, Charley Miltstead, and with plenty of experience at better but is rated a good chance of winning the championship.

Baylor has a new coach and a barrel of new and untested personnel. John Bragg, who is bringing a pro-T attack to the team in an effort to pull them out of the cellar, where they have languished for two years.

Merger of the Air Force and Army Boomed

WASHINGTON (AP) -- A congressional committee says it is in the space age may require a new merger of the Army and the Air Force, which have been separate units only 12 years.

In a report filed Tuesday, the House Government Operations Committee on the nation's missile programs said it's time to consider forming a single, missile-armed fighting service.

The President should order studies to determine if a merger would be the best course of action, the committee said.

The committee did not call for incorporation of the Navy into one big military service, but it said this might be done "ultimately, if weapon logic dictates."

Rivalry for weapons systems has cost the country a great deal of money, the committee said.

There would be great savings under a merger, the committee said, because:

1. "The 'after defense' controversy over air defense mission" would be eliminated;

2. Overhead would be cut, and

3. Technical talents of the two services would be combined and "teamed with a diversified missile industry to produce future weapons efficiently at lower cost."

The report was based on several weeks of hearings and studies by the Military Operations subcommittee, headed by Rep. Chet Holtfield (D-Calif.).

Refinery Strikes May Be Settled

By THE ASSOCIATED PRESS

New negotiations appeared likely today toward settlement of two months-old strikes at American Oil Co. refineries in El Dorado, Ark., and Texas City, Tex.

A meeting on the Texas City walkout is scheduled Friday. No sessions are set at El Dorado but a union official said further talks are likely in a day or two.

Striking members of Local 3-434 of the Oil, Chemical and Atomic Workers Union in El Dorado heard a new company proposal last night, but no action was taken. Some progress was reported after a negotiating session Monday. About 375 members are affected.

At Texas City, about 1,250 OCAW members are idle.

Both refineries have resumed limited production using supervisory and technical personnel. At issue in both disputes are working conditions, not wages. Both strikes began after contracts expired July 1.

Okay by board

OK (AP)—The Little Rock Board last night in federal court appeal under which have been admitted to high schools.

Memorandum to U. S. District Court at Little Rock said it had a "substantial assignment" in applying the federal court's order.

Miller to discontinue the National Association for the Advancement of Colored People's attack on the Little Rock Board also asked for placement procedures.

State Polio Total Reaches 176

LITTLE ROCK (AP)—Arkansas' 1959 polio total now stands at 176 compared to 10 for the same period in 1958.

and other steps the board has taken to desegregate Little Rock schools.

Miller has not set a date for hearing the suit, filed in behalf of several of 55 Negroes who applied for admission to white schools but who were assigned to an all-Negro school by the board.

The board pointed out that state pupil placement laws, under which it made the assignments, have been upheld on their face by another federal judge.

The memorandum said students dissatisfied with their assignments were provided with means to appeal through administrative channels.

Full Classes Start Today at Little Rock

LITTLE ROCK (AP)—Little Rock high schools, including two which Negroes attend, start full class days today.

Classes have been on a half-day basis since Aug. 12 when the schools re-opened after having been closed against integration for a year.

There have been no significant anti-integration incidents at the schools since police repulsed a march on Central High on opening day. Two Negroes—a boy and a girl—attend Central. Three Negro girls are enrolled at Hall High.

All schools have been operating in the morning for the past two weeks. Officials said summer heat caused the shortened schedule. There will be a four-day Labor Day holiday Friday through Monday with classes resuming Tuesday, the day other city schools open.

The school board said it started high school early to give students

a year.

Supt. Terrell Powell told a civic club yesterday that student morale is high. Powell said the future of education in Little Rock was bright "thanks to public spirited Little Rockians and to a far-sighted, courageous and dedicated school board."

Spread Steak With Flavor

You can always make a good thing better—even steak! Zesty spreads and marinades can be a steak's best friend, and Tabasco's warm piquancy enhances the good honest meat flavor.

The liquid red pepper seasoning sparks a Roquefort spread to go on a fine steak after it is broiled, and lends flavor to a marinade to prepare less tender cuts for quick cooking.

Tabasco Roquefort Steak Spread

1/2 teaspoon Tabasco 1 3-ounce package Roquefort cheese
2 tablespoons butter

Cream together all ingredients until blended. Spread over broiled steak.

Yield: Enough for 2 4-pound steaks.

Tabasco Steak Marinade

1/4 cup salad oil 1/2 teaspoon Tabasco
1/4 cup lime juice 1 teaspoon dry mustard
1/2 teaspoon salt

Blend salad oil, lime juice and Tabasco in shallow dish. Stir in dry mustard and salt. Put steak in marinade; let stand 5 hours, turning once.

Yield: Enough for 1 4-pound steak

Bennett May Run in '60 for Governor

LITTLE ROCK (AP)—Atty. Gen. Bruce Bennett indicated yesterday he may run for governor in 1960.

Bennett made no official announcement, but he said he probably would not be able to attend the 1960 Democratic National Convention because it coincides with the primary.

"I anticipate that (the primary) will keep me in the state," Bennett said.

Bennett's friends say he plans to seek for governorship even if Gov. Orval E. Faubus runs for an unprecedented fourth term.

The attorney general, at a news conference earlier yesterday, predicted that opening of Dollarway School near Pine Bluff "won't be another Little Rock incident."

He said he based this prediction on a belief that a federal appeals court "will eventually permit school boards to use the pupil placement law."

U. S. District Judge Axel J. Beck recently upheld on their face two state pupil placement laws but ordered the Dollarway School

Woman to Trial for Slaying Husband

FENARKANA, Ark. (AP)—Trial of Mrs. Katherine Jobe, 36, charged with first degree murder in the fatal stabbing of her husband, has been set for Sept. 14 in Miller Circuit Court.

Mrs. Jobe pleaded innocent at her arraignment Monday.

Lawrence Jobe, 35-year-old bricklayer, was stabbed with a butcher knife July 3 at the couple's home. Mrs. Jobe said she acted in self-defense.

Phone Exchange Asks to Borrow Money

LITTLE ROCK (AP)—The Decatur Telephone Co. yesterday asked the Arkansas Public Service Commission for authority to borrow \$132,000 from the Rural Electrification Administration.

The company said the money would be used to convert its system to dial and extend service to County.

Board to admit three Negro students this fall. The board appealed the order, contending it did not permit use of the placement laws.

The Eighth U. S. Circuit Court of Appeals is to hear the appeal Sept. 21. Opening of the Dollarway School, originally set for Sept. 6, will be delayed pending a decision.

ON (AP)—President Hoover's nominations for the 14th U.N. General Assembly confirmed today by the Senate.

The alternative representatives are: Virgil M. Hancher of Iowa City, president of Iowa State; Eric Coker Jr., of Dawson, Ga., airlines executive and former American Legion commander; Charles W. Anderson Jr., Louisville, Ky., lawyer; Harold Riegelman, New York lawyer, and Mrs. Oswald B. Lord of New York, a reappointment.

Also confirmed was the nomination of John A. McCone, AEC, to be U.S. representative to the third session of the International Atomic Energy Agency.

Paul F. Foster, the permanent representative to the agency, confirmed as alternative.

Johnson Rants Again at Sen. McClellan

LITTLE ROCK (AP)—An old-fashioned political squabble appears to be brewing between Sen. John L. McClellan (D-Ark.) and Associate Justice Jim Johnson of the Arkansas Supreme Court.

The hassle had an innocuous beginning when Johnson wrote McClellan criticizing the senator's position in favor of the Griffin-Landrum labor bill. Johnson said

the bill prohibited integration in unions.

McClellan retorted that Johnson's letter was "cheap political horseplay" and refused to answer it.

Johnson yesterday mailed another letter, warning McClellan of "re-election trouble" next year unless he explained his position.

Johnson referred to a section of the bill which states: "Every member of any labor organization shall have the right to meet and assemble freely with other members." Johnson said this meant "mixing and nothing else."

The provision has been eliminated in committee.

Johnson, an ardent segregationist, said his own election and the success of Gov. Orval E. Faubus at the polls last summer should show that Arkansians want racial integrity preserved.

"Let me be the first to tell you that you are going to have a strenuous and difficult task explaining to the people of Arkansas next summer why you let this happen to them," Johnson wrote.

He also criticized McClellan for "treating with contempt" a letter (Johnson's first) "written in good faith."

McClellan's term expires Jan. 1, 1941. He is expected to seek re-nomination in next July's Democratic primary. No opponent is yet in the field.

The senator's most likely foe, Faubus, has said he will not seek the job of McClellan stands for re-election.

Union Would Scrap Cost of Living Clause

NEW YORK (AP)—Eleven railroad unions have offered to scrap the cost-of-living escalator clauses in their present wage agreements, it was reported today.

But their proposal has brought no acclaim from the railroads, the New York Times said in reporting the move.

The escalator clauses are intended to protect the workers against inflation. Wages are automatically raised or lowered in response to fluctuations in the States consumer price index.

The striking United Brotherhoods of America and labor generally are fighting to keep the clauses, the Times noted.

It added that the employer pressure to abolish the clauses, which now covered four million workers in the nation, is based on a belief that they have added so much money to payrolls that they are inflationary in themselves.

The Times story also said: The proposal to cancel the escalator clauses in future contracts was made by unions representing nearly 700,000 railroad machinists, clerks and other nonoperating employees in connection with their demand last Monday for contract improvements.

What made the proposal unpleasant news for the railroads was the explanation by the unions that they did not intend to bind themselves to any long-term agreement.

A spokesman for the railroads said they want to get rid of the escalator clause, but without losing the stability of a long-term guarantee against new contract demands.

The five railroad brotherhoods representing engineers, firemen, trainmen, conductors and switchmen have notified the railroads that they want the escalator clause continued.
